

Diagram illustrating a relationship between two classes:

- A dashed rectangular box at the top contains the text `oomph::Mesh`.
- A solid rectangular box at the bottom contains the text `oomph::HelmholtzDtNMesh< ELEMENT >`.
- A vertical arrow points from the top of the solid box to the bottom of the dashed box, indicating that `oomph::HelmholtzDtNMesh< ELEMENT >` inherits from or is a specialization of `oomph::Mesh`.

oomph::Mesh

oomph::HelmholtzDtNMesh< ELEMENT >
