

oomph::Mesh

```
graph BT; A["oomph::FourierDecomposedHelmholtzDtNMesh< ELEMENT >"] --> B["oomph::Mesh"]
```

The diagram illustrates an inheritance relationship between two classes. At the bottom, a solid black box contains the text "oomph::FourierDecomposedHelmholtzDtNMesh< ELEMENT >". A vertical arrow points upwards from the center of this box to a dashed line. Above this dashed line, the text "oomph::Mesh" is centered. The dashed line represents the base class, and the arrow indicates that the class in the box inherits from it.

oomph::FourierDecomposedHelmholtzDtNMesh< ELEMENT >
