

oomph::QElement < 3, 2 >

oomph::DummyBrickElement

```
graph BT; A[oomph::DummyBrickElement] --> B[oomph::QElement < 3, 2 >];
```

The diagram illustrates an inheritance relationship. A solid rectangular box at the bottom contains the text "oomph::DummyBrickElement". A vertical arrow points upwards from the center of the top edge of this box to the bottom dashed line of a larger rectangular box above it. The larger box has a dashed border and contains the text "oomph::QElement < 3, 2 >".
